

What does a sunflower need to grow?

Sunflowers get their name from following the movement of the sun

What can be made from sunflowers?

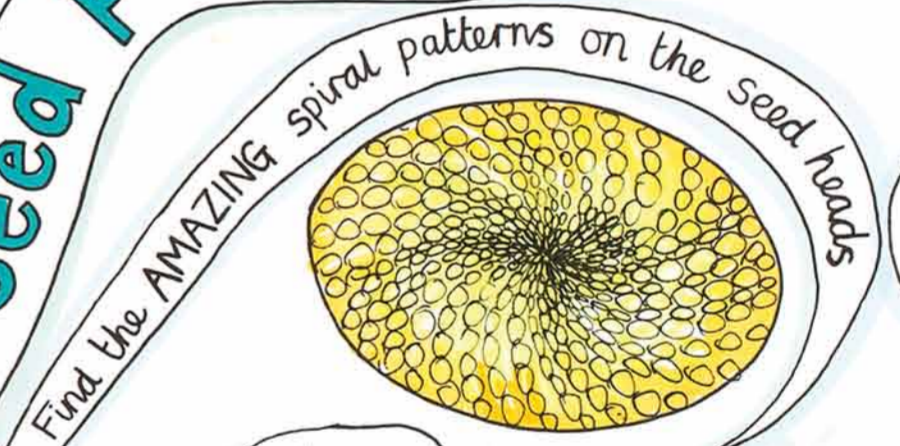

YEAR OF THE SUNFLOWER 2015

Schools Art Competition

Design our new sunflower seed packets

Why do creatures love sunflowers?

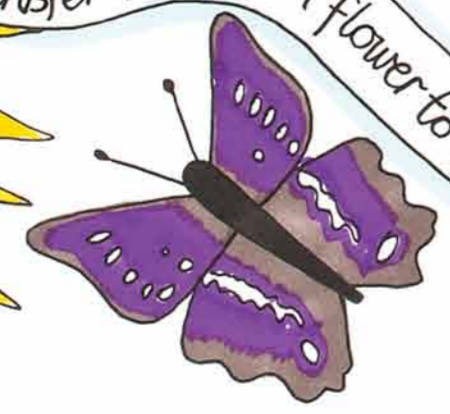

What name shall I give my sunflower?

How do sunflowers make you feel?

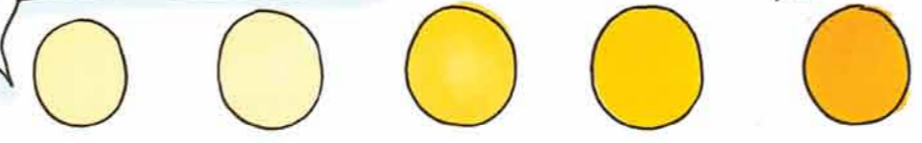

We transfer pollen from flower to flower

Vincent thought yellow was a colour of happiness

How many shades of yellow can you mix?

Sunflowers aren't just yellow...
